

ZAID BIN MUKHAYLIB

Riyadh, Saudi Arabia | +966508597500 | Zaid.almukhailb@gmail.com

SUMMARY

Senior Information Systems student specializing in the Data Science track at King Saud University, seeking a Cooperative Training opportunity. Skilled in Python, SQL, data preprocessing and Exploratory Data Analysis (EDA), with hands-on experience in developing AI-based solutions using Retrieval-Augmented Generation (RAG). Passionate about Data Science, Artificial Intelligence, and leveraging data-driven approaches to solve real-world problems.

EDUCATION

King Saud University

Bachelor of Information Systems Applied (Data Science Track) 2022 – Present

PROJECTS

AI-Based University Student Question Answering System

- Collected and curated a dataset of student questions and answers, followed by data cleaning and preprocessing.
 - Conducted Exploratory Data Analysis (EDA) to identify patterns and improve data quality.
 - Designed and built a structured database for efficient information retrieval.
 - Implemented Retrieval-Augmented Generation (RAG) techniques to improve answer relevance and contextual accuracy.
-

CERTIFICATIONS & PROFESSIONAL DEVELOPMENT

- Python for Data Science – IBM SkillsBuild (2026)
 - Data Scientist in Python Track – DataCamp (2026)
-

TECHNICAL SKILLS

Programming Languages

- Python
- R

Database Management

- SQL

Data Science & Artificial Intelligence

- Exploratory Data Analysis (EDA)
- Data Preprocessing
- Retrieval-Augmented Generation (RAG)

Tools & Libraries

- Pandas
- NumPy
